

REMARKS

Applicant respectfully acknowledges receipt of the Final Office Action mailed on December 13, 2007.

By this Amendment, Applicant proposes to amend claims 1, 11, and 22 in order to correct minor typographical errors and place this application in condition for allowance or in better form for appeal. After entry of this Amendment, claims 1-28 will remain pending.

Correction of Typographical Errors in Claims 1, 11, and 22

In each of line 4 of claim 1, line 4 of claim 11, and line 6 of claim 22, the phrase, "electronic schematic" (emphasis added) is inadvertently recited. Applicant submits that this element should be corrected to read "schematic" as evidenced by the Amendment filed on April 24, 2006. Moreover, Applicant submits that amending this element to recite "schematic" would render this element consistent with the other recitations in claims 1, 11, and 22. Accordingly, in the above amendments to claims 1, 11, and 22, the inadvertently-added word "electronic" has been removed.

Conclusion

Applicant respectfully requests that this Amendment under 37 C.F.R. § 1.116 be entered by the Examiner, placing claims 1-28 in condition for allowance or better form for appeal. Applicant submits that the proposed amendments of claims 1, 11, and 22 do not raise new issues or necessitate the undertaking of any additional search of the art by the Examiner, since all of the elements and their relationships claimed were either earlier claimed or inherent in the claims as examined. Therefore, this Amendment should allow for immediate action by the Examiner.
